To the Chairman of the Board of Directors,

In our capacity as Statutory Auditors of Praemia Healthcare and in response to your request, we have reviewed the accompanying condensed half-year consolidated financial statements of Praemia Healthcare for the six months ended June 30, 2023 (the "Financial Statements").

These Financial Statements are the responsibility of the Board of Directors. Our role is to express a conclusion on these Financial Statements based on our review.

We conducted our review in accordance with professional standards applicable in France and the professional guidance issued by the French Institute of Statutory Auditors (*Compagnie Nationale des Commissaires aux Comptes*) relating to this engagement. A review of half-year financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with professional standards applicable in France and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Financial Statements have not been prepared, in all material respects, in accordance with IAS 34 – Interim Financial Reporting, as adopted by the European Union.
