Paris, February 23, 2024, 8:00 a.m.

The Praemia Healthcare Group saw an improved financial performance as of December 31, 2023, with gross rental income up 4.6% and EPRA earnings up 2.3% compared to December 31, 2022:

	12/31/2023	12/31/2022	Change	Change (%)
Gross rental income	337.8	323.1	+14.7	+4.6%
EPRA earnings	256.2	250.4	+5.8	+2.3%
EPRA earnings per share (in € per share)	€6.60	€6.35	+0.26	+4.0%
	12/31/2023	12/31/2022	Change (%)	
EPRA NDV per share	€100.9	€109.2	-7.5%	
EPRA NTA per share	€94.8	€100.3	-5.4%	
LTV ratio excluding duties	38.9%	32.7%	+630 bps	
LTV ratio including duties	36.5%	30.7%	+580 bps	
ICR	6.83x	9.36x	-27.0%	

- Leasing activity was mainly driven by the rise in indices, with gross rental income of €338m, up €15m on 2022, i.e. +4.6% on a reported basis.
- On a like-for-like basis, gross rental income was up by +3.8%, mainly due to index-linked rent reviews during the period.
- The financial occupancy rate of the portfolio as of December 31, 2023 remained unchanged at 100%.
- EPRA earnings stood at €256m, up +€5.8m, i.e. +2.3%, compared with December 31, 2022 due to increases in rental income, which offset the higher finance expense.
- EPRA NTA as of December 31, 2023 stood at €94.8 per share, down -€5.4 (i.e. -5%) compared to December 31, 2022.
- The LTV ratio excluding duties rose to 38.9% (vs. 32.7% at the end of 2022), reflecting the transactions involving share capital carried out as part of the change in shareholding structure and the slight fall in property values in H2 2023.

# 1. OPERATIONAL PERFORMANCE

## Leasing activity

**Gross rental income amounted to €337.8m in 2023, up +4.6% on a reported basis (+€14.7m)** compared to 2022, mainly driven by the rise in indices, both in France and internationally.

**On a like-for-like basis**, gross rental income was up +3.8%, driven by the effect of index-linked rent reviews over the period.

**The financial occupancy rate of the portfolio** as of December 31, 2023 remained unchanged at **100%**.

The **WAULT to break stood at 7.2 years**, an increase compared to December 31, 2022 (+0.3 year), thanks to an active asset management strategy. On average, it stood at 7.0 years for assets in France and 10.8 years for assets outside France. In 2023, 21 leases were renewed or extended, thus securing €58.6m in annualised headline rental income for an average lease term of 8.6 years.

## Investments

Investments totalled €81.5m in 2023.

- **Other capex** amounted to €23.7m, including €9.6m of green capex.

**Outside France**, the Group's investments totalled €11.1m with the acquisition of a long-term care facility operated by Amavir in Ciudad Real, Spain.

## Disposals

No significant disposals were completed over the period.

## Valuations

As of December 31, 2023, Praemia Healthcare's portfolio was worth €6.1bn (excluding duties, on a full consolidation basis), a decrease of **-2.0% on a reported basis and -3.1% like-for-like** compared with December 31, 2022.

After a slight increase on a like-for-like basis (+0.4%) in H1, the healthcare real estate asset class saw a modest decline in H2 (-3.5% on a like-for-like basis), reflecting the new interest rate environment.

# 2. DEBT STRUCTURE

## Successful first sustainable bond issue worth €500m and BBB credit rating with a stable outlook

On July 5, 2023, at the same time as the completion of the first stage of the acquisition by funds managed by Primonial REIM France of Icade's stake in Icade Santé, Praemia Healthcare arranged a 12-month €550m bridge loan with two six-month extension options in order to refinance a €300m bridge-to-bond facility, repay the outstanding balance of a €50m shareholder loan from Icade and fund the repurchase by Praemia Healthcare of €200m in shares from Icade followed by their cancellation.

On September 12, 2023, Praemia Healthcare successfully issued its first sustainable bonds worth **€500m in total, with a fixed coupon of 5.50% and maturing in September 2028**. The net proceeds of this issue will be used to repay part of a bridge loan used to finance a portfolio of eligible green and socially responsible assets, and to finance and refinance assets eligible under the sustainability financing framework.

Praemia Healthcare's gross financial liabilities outstanding as of December 31, 2023 stood at €2,567m, up €120m compared to December 31, 2022.

In the new financial environment, the average cost of debt, net of income from short-term investments, remained **under control at 1.73%**. Praemia Healthcare's average cost of gross debt was 2.07% in 2023 vs. 1.32% in 2022. Its fixed rate and hedged debt represented 100% of total debt.

Lastly, rating agency S&P **affirmed Praemia Healthcare's credit rating at BBB with a stable outlook** in its annual review released on July 11, 2023, after the transaction with Primonial REIM was announced.

### 3. CHANGES IN SHAREHOLDING STRUCTURE AND COMPANY NAME

During the year, following the change in shareholding structure, Icade Santé changed its name to Praemia Healthcare. In line with the exclusivity agreement signed on March 13, 2023 and the sale and purchase agreement signed on June 13, 2023, Primonial REIM completed the acquisition of 63% of Icade's stake in Icade Santé on July 5, 2023 for €1.1bn, on behalf of its fund PREIM Care. As part of the transaction, Icade sold €100m of Icade Santé shares to Sogecapimmo and Icade Santé repurchased €200m of its shares from Icade followed by their cancellation.

In September 2023, Holdipierre transferred 49,440 shares to PREIM Care. Following these transactions, the new shareholder PREIM Care owned a 30.80% stake in the Company, with Sogecapimmo's stake increasing from 10.32% to 13.68% and Icade's decreasing from 58.30% to 22.52%.

# APPENDICES

## 1. HIGHLIGHTS OF THE YEAR

### 1.1. Highlights of the year

During the year, following the change in shareholding structure, Icade Santé changed its name to **Praemia Healthcare**.

In line with the exclusivity agreement signed on March 13, 2023 and the sale and purchase agreement signed on June 13, 2023, Primonial REIM completed the acquisition of 63% of Icade's stake in Icade Santé on July 5, 2023 for €1.1 , on behalf of its fund PREIM Care. As part of the transaction, Icade sold €100 million of Icade Santé shares to Sogecapimmo and Icade Santé repurchased €200 million of its shares from Icade followed by their cancellation.

In September 2023, Holdipierre transferred 49,440 shares to PREIM Care.

Following these transactions, the new shareholder PREIM Care owned a 30.80% stake in the Company, with Sogecapimmo's stake increasing from 10.32% to 13.68% and Icade's decreasing from 58.30% to 22.52%.

In addition, as part of the transaction, Primonial REIM took over management of the property assets owned by Icade Santé, whose 42 employees joined Primonial REIM Care, a Primonial REIM Group company. The team remains in charge of the delegated management of the property portfolio.

Investments made in 2023 totalled **€81.5 million**, including €70.4 million relating to operations in France and €11.1 million in Europe excluding France, mainly relating to the acquisition of a long-term care facility in Spain.

At the end of 2023, Praemia Healthcare's portfolio was worth **€6.1 billion**, with 5% of assets located outside of France, 92% consisting of healthcare assets (acute care, medium-term care including PAC and psychiatric facilities) and 8% of medical-social facilities (long-term care, consisting of nursing homes).

As regards its debt, in July 2023 Praemia Healthcare arranged a 12-month €550 million bridge loan in order to refinance a €300 million bridge-to-bond facility that had been extended until September 2023, repay the outstanding balance of a €50 million shareholder loan from Icade, and fund the repurchase of €200 million in shares from Icade, which was followed by their cancellation. On September 19, 2023, Praemia Healthcare issued sustainable bonds worth €500 million in total, with a fixed coupon of 5.50% and maturing in September 2028. The €550 million bridge loan taken out in July was repaid in full.

Lastly, rating agency S&P **affirmed Praemia Healthcare's credit rating at BBB with a stable outlook** in its annual review released on July 11, 2023, after the transaction with the Primonial REIM Group was announced.

<b>ICR</b>	<b>6.83x</b>	<b>9.36x</b>		<b>-27.0%</b>

**Gross rental income amounted to €337.8 million in 2023, up +4.6% on a reported basis (+€14.7 million)** compared to 2022, mainly driven by the effect of index-linked rent reviews.

**EPRA earnings stood at €256.2 million, up +€5.8 million, i.e. +2.3%** compared with December 31, 2022, due to increases in rental income, which offset the higher finance expense.

**EPRA NTA per share** was down -5.4% to €94.8, due in particular to the decrease in asset values on a like-for-like basis. **EPRA NDV per share amounted to €100.9.**

Lastly, **the LTV ratio excluding duties stood at 38.9%**, an increase with respect to December 31, 2022, reflecting the transactions involving share capital carried out as part of the change in shareholding structure and the slight fall in property values in H2 2023.

In 2023, net profit attributable to the Group was down on 2022 due to the combined effects of:

- An increase in income from operating activities thanks to the +€14.7 million increase in rental income;
- The change in value of investment property, which represented an expense of -€207.8 million in 2023 vs. income of +€122.3 million in 2022. This change was the result of the new interest rate environment (see section "Changes in value of assets").
- The finance expense increased by -€13.8 million due to the increase in the average cost of gross debt (2.07% as of December 31, 2023 compared with 1.32% as of December 31, 2022).

As of December 31, 2023, the portfolio was worth €6.1 billion (excluding duties), a slight decrease of -2.0% on a reported basis.

On a like-for-like basis, the portfolio saw a -€189.4 million (-3.1%) decrease in value.

After a slight increase on a like-for-like basis (+0.4%) in H1, the healthcare real estate asset class saw a modest decline in H2 (-3.5% on a like-for-like basis), reflecting the new interest rate environment.

### 1.3. EPRA reporting

The performance indicators presented below as defined by the European Public Real Estate Association (EPRA) have been calculated in accordance with EPRA's recommendations. These are all leading indicators for the property investment industry.

#### EPRA NAV

Net asset value (NAV) measures the value of Praemia Healthcare based on changes in equity and changes in value of asset portfolios.

EPRA recommends the use of three NAV metrics:

- A NAV metric that represents the net asset value under a disposal scenario: EPRA Net Disposal Value (NDV), which includes the fair value of fixed rate debt;
- A NAV metric which focuses on real estate activities: EPRA Net Tangible Assets (NTA), which excludes the fair value of fixed rate debt;
- A reinstatement NAV: EPRA Net Reinstatement Value (NRV), a NAV including duties.

#### EPRA NAV metrics for the last two periods

<sup>(a)</sup> In 2023, 2,104,339 shares repurchased from Icade were cancelled.

EPRA NTA stood at €3,578.9 million (€94.8 per share), down -5.4% compared to December 31, 2022, mainly due to the combined effect of the following:

- Net current cash flow for the period of €256.2 million (€6.6 per share); offset by
- The fall in property values on a like-for-like basis (-€207.8 million, i.e. -€5.4 per share);
- A dividend payment (-€272.8 million, i.e. -€6.9 per share).

EPRA NDV amounted to €3,809.8 million (€100.9 per share) and includes the positive impact of remeasuring fixed rate debt to market value. Lastly, EPRA NRV amounted to €3,966.6 million, i.e. €105.1 per share.
